College Board specifies the exact days and times that exams can be offered during regular and late administration periods. In 2012, one of the late testing days is Friday, May 25, 2012. Because there is no school for students in Bernards Township on that date, we are unable to offer *late* AP exams for the following exams:

- ♦ AP Biology
- ♦ AP English Literature and Composition
- ♦ AP Italian Language and Culture
- ♦ AP Latin: Vergil
- ♦ AP Physics B
- ♦ AP Physics C: Electricity and Magnetism
- ♦ AP Physics C: Mechanics
- ♦ AP Psychology

We cannot accommodate students who are absent the day of the regularly-scheduled test, even with a doctor's note. Students who need to arrange late testing for any of the above exams for any reason may contact College Board's AP Services (877-274-6474) for a list of local high schools that may be willing to accommodate them (fees may apply).
