COMMUNITY

Bernards Township is a suburban community of 27,654 located 28 miles from New York City. A high percentage of the parents are corporate leaders, financial executives, doctors, lawyers, and other professionals.

SCHOOL

Ridge High School is a four-year public high school with an enrollment of over 1,700 students that prepares its graduates for a wide variety of post high school education placements.

ACCREDITATION

Ridge High School is accredited by the Middle States Association of Colleges and Secondary Schools and the New Jersey Department of Education. In September of 2009, the high school was recognized by the US Department of Education as a Blue Ribbon School for high academic achievement. The award was given to only 40 public high schools in the nation and was presented at a ceremony in Washington DC. Additionally in May 2010, *Newsweek* magazine named the high school as the number one comprehensive public high school in New Jersey and in June 2010 number 194 among the top 1,600 public high schools throughout the entire nation. Forbes named the district as one of its "25 Best Schools For Your Housing Buck".

FACULTY

Bernards Township has a dedicated and highly trained instructional staff who welcome the challenges of its dynamic student population. Ridge High School values its 13:1 student-teacher ratio and 199:1 counselee-counselor ratio. Forty-one of the 143 instructional staff members hold bachelor degrees; 95 hold master degrees; and 7 have doctorates. The average number of years of professional experience in education among the instructional staff is 6.

CURRICULUM

The curriculum of the Bernards Township School District culminates with the high school program of comprehensive course offerings. The district takes pride in the level of academic rigor that is provided to students in all areas, from fine and performing arts to the most advanced science and mathematics classes. Twenty-two Advanced Placement offerings and 37 courses offered at the honors level provide the students with expansive opportunities to challenge themselves beyond the college preparatory level. The students benefit from working with a faculty that stays current with pedagogical and practical instructional practices through graduate school attendance and through participation in the district's Staff College program. Students work closely with staff members during tutorial periods and through mentoring programs. A challenging curriculum, a supportive environment, and a staff with high expectations for student success are the ingredients that combine to produce graduates who are prepared to face the challenge of further education.

CLASS RANK

Please be aware that Ridge High School does not rank its students or provide decile data. See the enclosed school profile for the distribution chart of weighted GPAs in order to place into context the academic performance of this candidate.

RELEASE OF TEST SCORES

Note that standardized test information is not part of the official transcript from Ridge. All results (SAT I, SAT II, ACT and AP) are sent directly to the college from ETS. This is the sole responsibility of the student. If you have any questions or concerns, please call the Ridge High Guidance Office.

RELEASE OF STUDENT DISCIPLINARY RECORDS

Bernards Township Board of Education policy prohibits the release of student disciplinary information to individuals or institutions outside of the school district. This policy prohibits the release of any student disciplinary information to colleges and universities, even when the information request is part of an application. Student disciplinary information is contained in pupil records, which are afforded the strictest protection and privilege under New Jersey law and this school board's policies. Accordingly, we are unable to provide you with any information or answer any questions relating to the applicant's disciplinary record while this student is in our schools.
