

Dear Parents & Guardians of Elementary School Students:

To replenish the funds in your student's account, please follow the steps listed:

- 1) Complete the "deposit slip" below with the required information, just as you did for the initial deposit. Additional copies are available in the cafeteria and main office.
- 2) Place deposit slip and funds in an envelope marked "Lunch Program"
- 3) Send the envelope to school with your child.

The new system has significantly improved our speed of service and enabled us to better serve the students of Bernards Township. Should you have any questions regarding your child's specific account, please contact the site manager at your child's school:
