

RHS Anti-Bullying Pledge

This is for me.....
.....my friends today.....
and my friends tomorrow.

I think being mean is a heartless act.
I will not stand and watch people get bullied.....
I can't stand someone who does nothing when
they see someone being bullied.....

I care.
I can help change things.
I can be a leader and stand up to bullying.

In my version of Utopia, bullies are not allowed.
Bullying is a callous act done by those who gain
satisfaction from inflicting injury and suffering
and who receive some reward by bullying others
(i.e. prestige, attention, possessions).

Bullying bothers me.
I know now that sticking up for those who are
being bullied is the right thing.

My name is: _____
and I won't stand by and let others be bullied.
