

BERNARDS TOWNSHIP FACULTY PROJECTS

Any Bernards Township staff who through classroom or club activities has a community service opportunity, we encourage you to consider sponsoring a community service project.

- Submit your project **electronically** to Frank Howlett, Principal at Ridge High School, for approval.
- The project should directly support the mission and/or operation of the school. You will be responsible for the supervisor of students while they perform their service and for signing off on their hours.
- Once approved, the approval form **will be posted** on the Community Service website for students. Please include all requested information.
