April 25, 2010

Dear Parents and Students:

The schedule below is for the first week of NJASK testing. It has been created to help students and/or parents visualize each school day. In order to maximize instructional time during the testing weeks, I have created an afternoon period rotation that begins after all lunches have been served.

Please make a copy of this schedule to keep handy in your binder.

Thank you for your cooperation!

Sincerely,

Karen A. Hudock
Principal
